Sir,

Adverting to para 3 clause 8 of Government Proceedings No. 11-34 dated 7th October 1903 and section 45 of the Local Board Rules, I have the honor to submit for sanction the following proposals for the revision of the house tax in the six village unions sanctioned to be formed in this District with effect from 1st July 1904 under the Local Board Regulation.

2. The Mohalarfu tax at present levied on houses in these minor municipalities is regulated upon valuation of houses made in accordance with the rates prescribed in

the

the late Chief Commissioners Notification No 3362-73 dated 27 September 1879 (Vide Revenue Mnl. 161 Manual page 169). I propose to adhere to the same principle in working the house tax under the new rules, with a reclassification of the houses so as to make up as far as possible for the losses resulting from the transfer of the taxes on oil mills and carts to the Revenue Department and the abolition of the shop-tax as a separate levy. The net result of the proposed reclassification of houses and assessing them at the revised rates under the rules is par- ticularised in the margin and if this meets with approval, I beg to recommend that the Government may be pleased to accord sanction to the same as early as convenient

I have the honour to be,
Sir

Genl & Rev: Offices.

Sir,

With reference to your - -
docket No. 3692/Ft.109-05 - dated 2nd November
1904, calling for explanation in
the matter of the difference between
the total number of houses in the
Establishment under the present and
old scales in Nagenhalli, Kaithanhatti,
and Hirakerenur Unions and -
enquiring whether the number of
houses taxed as per new scale
includes shops and new houses,

according to para 45 of the Local Board Rules, I have the honor to state that the difference observed in the number of houses in the 3 Unions referred to above is due to the following Causes:-

In the Trincomalee Union, 3 houses are reported to have been newly built. Some of the old and dilapidated houses in the other two unions had come down. Moreover in the Batticaloa Union a few houses were acquired in recent years under the Land Acquisition Regulation for the purpose of opening out roads and lanes to improve its sanitation. 6 tenfoles which were used as residential quarters in the Batticaloa Union, and consequently taxed under the Mohatwfa rules, were subsequently

removed from the tax list, after they had been vacated. Hence the difference in the number of houses under the present and the old scales. It is also reported that the number of houses taxed as per present scale includes shops and warehouses in all the Unions according to para 45 of the Local Boards Rules except in the Batticaloa and Trincomalee Unions, where shops and warehouses are separately taxed in spite of clear instructions issued from this Office. The Assistants Concerned were called upon to furnish revised statement to prepare & Consistently with the instructions Contained in Section 45 of the Local Boards rules and also with those conveyed in Government Proceedings

3878-85
LB 109-

dated 8th April 1904. The revised statement now received from the Amildar of the Chellakere Taluk shows an income of Rs: 740-12-0 from house tax including shops and warehouses. The reply from the Amildar of the Chitaldrug Taluk, is awaited and on its receipt, a supplemental statement will be submitted.

2 I further beg to bring to the notice of Government that the Amildar of the Hosadrug Taluk has levied a separate tax of Rs: 308 in the Begur Union independently of the house tax. He explains that this amount is the tax on itinerant traders residing within the Union. I consider that this levy is legal and proper as before the conversion of this Union Municipality

Para 2 has been dealt with separately (Duke's file)

into a Union, the traders referred to above had been taxed for carrying on their trade without possessing a shop properly so called. I therefore solicit in favour of instructions on the question of further continuance of this levy.

3. A revised statement showing income from house tax including shops and Warehouses as per rules, in all the Unions except Turuvur is herewith submitted for the information of Government. The Amildar of the Chellakere Taluk has been directed to recover house tax in the Naikanhatti Union as per revised list.

I have the honor to be
